Announcements:

Congregational Planning Meeting is scheduled for Saturday, February 3 from 9 AM to Noon. It will be our opportunity to discuss what plans we should lay as we seek to strengthen our congregation and its outreach. Come, bring your ideas, and help us plan for the future! Through all of us working together, we can become stronger in the Lord!

Silent Witnesses is the title of the Lenten devotional resource from Lutheran Hour Ministries. To request these devotions be sent to your email inbox on a daily basis, please go to lhm.org/lent. Also, we will plan to print a number of copies to give to those for whom this is the easiest way to use them. Written by Dr. Kari Vo, LHM's theological writer, they will enrich the 40 days of Lent for you.

Life with God: Pastor Michael hopes that a new class can be gathered who would like to explore the basics of the faith with him. Please indicate your interest, or the name(s) of those you think might be interested, that we might find a time that is most convenient for all. We normally take 10 sessions of about an hour and a half each to cover the basics. We can be flexible in the scheduling!
